To whom it may concern:

This letter is to express my interest in discussing the open job position. The opportunity presented in this listing is very appealing, and I believe that my strong technical experience and education will make me a very competitive candidate for this position.

The key strengths that I possess for success in this position include but are not limited to the following:

- I have successfully designed, developed, and supported live use applications
- I am a self-starter
- Eager to learn new things
- Strive for continued excellence
- Provide exceptional contributions to customer service for all customers.

With vast work experience as a project manager in several industries and Government, I have a full understanding of several life cycles of a software development project. I also have experience in learning and excelling at new technologies as needed. My experience includes but is not limited to:

- Project Management
- Training and mentoring of On-site and offshore personnel
- Customer service and support
- Programming both new applications and maintenance work
- Problem isolation and analysis
- Software quality testing
- Business and systems analysis
- Process improvement and documentation.

Please see my resume for additional information on my experience. Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Sincerely,

Sunil Fotedar
